- March 1996: (21 hours) - jury selection in a civil case; child custody evaluations; personal injury evaluations.

CLINICAL TRAINING & RESEARCH POSITIONS

Head of Research Group: Patton State Hospital Risk Factors Checklist. Quality Improvement Workgroup, Patton State Hospital, Patton, California (January 2002 - October 2004)

Lead research group in the development of an instrument to assess patient risk for physical violence to serve as an aid to target treatment planning. Instrument pulls together information about known violence risk factors identified in the literature and in extant violence risk assessment instruments.

Project Co-Investigator: Experimental Evaluation of Treatment Technologies for Court Diversion of Juvenile Offenders with Drug Abuse Problems. Sponsor: Counterdrug Technology Assessment Center, Office of National Drug Control Policy, Executive Office of the President, Washington, D.C. (October 1997 - August 1998)

Project co-investigator for grant-funded research project to investigate the effects of disparate substance abuse treatment protocols with juveniles attending substance abuse treatment following an adjudication of delinquency in Philadelphia Family Court.

Advanced Clinical Practicum Student Philadelphia Mental Health Clinic, Philadelphia, Pennsylvania. (17 hrs/week, May 1997 - August 1997)

Conducted intake screening evaluations and provided ongoing individual and family psychotherapy at a community mental health clinic. Patient population included young children, adolescents, young adults, and adults.

Supervisor: Kathleen Clark, Ed.D.

Advanced Clinical Practicum Student The NorthWest Center, Inc., Fisher's Lane Campus, Fort Washington, Pennsylvania. (12 hrs/week, September 1996 - November 1996)

Administered psychological test batteries to males in a residential treatment center for adolescents with histories of problem behavior in other residential settings. Co-facilitated individual, family, and group psychotherapy.

Supervisor: Janet Siegel, Psy.D.

Ad Hoc Student Evaluator, The Allegheny University of the Health Sciences Forensic Assessment Clinic, Philadelphia, Pennsylvania. (October 1996 - May 1998)

Worked closely with supervisor in conducting all aspects of forensic evaluations (interviewing clients and collaterals, administering psychological tests, drafting assessment reports). Assessment issues included juvenile decertification from criminal court, independent medical evaluation for workers' compensation disability, assessment child abuse allegations, and evaluation of the standard of care of psychologist facing charges before state licensing board.

Supervisor: Kirk Heilbrun, Ph.D., ABPP

Advanced Clinical Practicum Student Addiction Research and Treatment Clinic, Camden, New Jersey. (16 hrs/week, August 1995 - July 1996)

Clinic operated by the Department of Addiction Research and Treatment, Division of Psychiatry, Medical College of Pennsylvania and Hahnemann University, Philadelphia, Pennsylvania.

Performed intake screening interview for intensive outpatient treatment clinic for urban cocaine addicts. Provided structured individual psychotherapy with clients.

Administered intellectual, personality, and neuropsychological assessment batteries for research and clinical purposes. Collected and analyzed data for ongoing research studies.

Supervisor: Douglas B. Marlowe, J.D., Ph.D.

Clinical Practicum Student Hahnemann University Hospital - Cancer Unit, Philadelphia, Pennsylvania. (8 hrs/week, August 1994 - May 1995)

Performed screenings and mental status evaluations with patients referred for evaluation who were receiving ongoing treatment for various forms and stages of cancer. Provided individual and family psychotherapy to patients concerning broad cancer-related issues.

Supervisor: Christine M. Nezu, Ph.D.

PROFESSIONAL EMPLOYMENT & EXPERIENCE

Forensic Psychology Consultant, Patton State Hospital, Patton, CA (September 2000-present)

Perform forensic psychological assessments throughout large, state forensic hospital.

Member of the hospital's Forensic Evaluation Department, Forensic Review Committee,

Postdoctoral Fellowship Committee, and Ad Hoc Forensic Advisory Committee. Chaired

a research group that developed an instrument to assess patient risk for violence to guide treatment planning.

Staff Psychologist, Patton State Hospital, Patton, CA (September 2005-August 2006)

Worked as a staff psychologist on a unit with patients committed by courts throughout California as incompetent to stand trial. Performed competency evaluations, malingering assessments, provided psychotherapy, and worked with other members of a treatment team to return defendants to court as competent to stand trial.

Assistant Workshop Administrator, American Academy of Forensic Psychology:

San Diego, California (February, 2000);

Las Vegas, Nevada (April 1999);

Palm Springs, California (February 1999);

Philadelphia, Pennsylvania (May 1997);

Hilton Head, South Carolina (March 1996).

Assisted in the administration of continuing education workshops for the American Academy of Forensic Psychology.

Judicial Externship in Law and Psychology, Orphan's Court of Delaware County,

Pennsylvania, The Honorable Leo Sereni, President Judge. (November 1996 - May 1997)

Conducted extensive legal research and drafted legal memoranda concerning unique issues of law and psychology for the judge presiding over the civil incapacity hearing of multi-millionaire John DuPont, both before and after Mr. DuPont's conviction of first degree murder.

Assistant Forensic Evaluator (October 1996)

Assisted in conducting criminal forensic evaluation at a Philadelphia prison on the issue of death mitigation for a client charged with felony murder. Co-interviewed client, administered several neuropsychological tests, and collaborated on report.

Supervisor: Douglas B. Marlowe, J.D., Ph.D.

Social Science Research Assistant, Third Circuit Task Force on Equal Treatment in the Courts,

commissioned by the United States Court of Appeals for the Third Circuit, Philadelphia, Pennsylvania. (September 1995 - May 1997)

Assisted task force comprised of attorneys, law professors, and federal judges in a comprehensive study of race, ethnicity and gender bias in the federal courts of Pennsylvania, New Jersey, Delaware, and the United States Virgin Islands. Assisted task force members in designing and creating instruments to gather relevant data, performed statistical analyses on data, and reported results to task force members.

Supervisor: Donald N. Bersoff, Ph.D., J.D., ABPP

Psychiatric Assistant, Northwestern Institute of Psychiatry, Fort Washington, Pennsylvania. (40 hrs/week, May - August 1994; 8 hrs/week, August 1993 - May 1994)

Counseled patients in a multi-unit psychiatric hospital. Conducted and co-facilitated group therapy, met individually with patients, assisted in crisis management throughout the facility, and structured the milieu setting. Units worked included: Adolescent; Dissociative Disorders; Child; Adult Trauma; Adult Locked; Adult Voluntary; and Geriatric.

Residential Counselor, Wordsworth Academy, Fort Washington, Pennsylvania. (40 hrs/week, May - August 1993)

Counseled emotionally disturbed adolescents on a residential unit. Assisted in milieu and crisis management, and worked with multi-disciplinary treatment team in developing behavioral treatment strategies.

Supervisor: Mary Jane Kirkpatrick, Ph.D.

Assistant in Civil Forensic Psychiatry, Eric H. Marcus, M.D., Solana Beach, California. (40+ hrs/week, February 1991 - August 1992)

Assisted in conducting civil forensic psychiatric interviews and evaluations, reviewed depositions, administered and reviewed psychological testing, and wrote detailed forensic evaluation reports for use in hundreds of civil lawsuits, the majority of which pertained to California workers' compensation actions.

Supervisor: Eric H. Marcus, M.D.

Mental Health Counselor, Burbank Hospital Mental Health Unit, Fitchburg, Massachusetts. (40 hrs/week, June 1990 - February 1991, May - August 1989)

Performed emergency room psychological screenings and mental status evaluations of patients in mental health crises. Made dispositional recommendations for the emergency room patients through communications with consulting psychiatrist. Led on-unit individual and group counseling.

Supervisor: Paul Epstein, M.D.

Research Assistant, Marlene Steinberg, M.D., Yale University School of Medicine, New Haven, Connecticut. (January - May 1990).

Received training and experience in the administration and scoring of the Structured Clinical Interview for DSM-III-R Dissociative Disorders (SCID-D). Performed structured interviews on both patients with diagnoses of dissociative disorders and control group subjects in connection with ongoing research on malingering and dissociative disorders.

Supervisor: Marlene Steinberg, M.D.

LAW-RELATED EMPLOYMENT

Summer Law Clerk, City of Philadelphia Law Department, Special Litigation & Labor Unit - Employment Division, Philadelphia, Pennsylvania. (May - August 1996)

Worked in the employment discrimination section of a large, municipal legal department. Researched and drafted legal memoranda, motions for summary judgment, motions in limine, and motions to dismiss. Prepared deposition examinations for lead attorney, prepared witnesses for testimony, and participated in strategy meetings for cases in the Special Litigation Department.

Supervisors: John P. Straub, Esq., Albert D'Attilio, Esq.

Summer Law Clerk, City of Philadelphia Law Department, Tort Claims Division, Philadelphia, Pennsylvania. (May - August 1995)

Worked in the claims division of a large, municipal legal department. Researched and drafted motions for summary judgment, legal memoranda, and settlement agreements.

Participated in settlement conferences, prepared for depositions, and assisted in preparation of cases both for trial and mandatory arbitration.
Supervisor: Norman G. Prajzner, Esq.

EDITORIAL EXPERIENCE
